Another area using forest waste, particularly from the lumber industry, to generate energy.

Missouri turns to forests for renewable energy

SALEM, Mo. (AP) — The towering pine, maple and oak trees in this former Union stronghold in

southern Missouri are more than just a backdrop for fall scenic drives and summer float trips. Around here, wood puts food on the table and money in the bank.

Funny personalized video from moveon.org.

Best used when you log in via Facebook. Reminds me of the Obama's campaign personalized holiday greeting card, but this one even goes several steps further.

...

President Palin?

Think it couldn't happen? Well then, you better watch this video. The future will thank you.

"The final of the Major League Baseball world series sees the San Francisco Giants, a team from America's most laid-back, liberal city, take on the Texas Rangers from Dallas, a city famed for its conservatism and for being home of the Bush family dynasty."

[hippies vs. yahoos]

Liberals And Conservatives Clash On The Pitch Ahead Of Mid-Terms | World News | Sky News

v's clash between Republican and Democrat candidates in the US mid-term elections is being mirrored on the baseball pitch in a showdown between two cities that have become symbols of liberal and conservative America.

"Voting is free. It's fairly fast. It doesn't make you responsible for the outcome, but it sure has an impact on what we have to live with going forward. The only thing that would make it better is free snacks."

Seth's Blog: Voting, misunderstood

This year, fewer than 40% of voting age Americans will actually vote. A serious glitch in self-marketing, I think. If you don't vote because you're trying to teach politicians a lesson, you're tragically misguided in your strategy. The very politicians...
